(Medical, Non-Medical Groups Available)

- Along with core Medical/Non Medical Subjects there will be regular classes of Punjabi, English & Computer Science as per P.S.E.B Mohali Syllabus.

Catalytic Classes

"Helping students reach their potential"

- Courses will be conducted to prepare students for board examination, JEE(Mains & Advance) & NEET.
- 1st Batch will commence from 15-April, 2019.

Course Pattern & Teaching Methodology

- Course will be conducted to prepare students for Board examination along with JEE(Main & Advance) & NEET preparation.
- Classes will be conducted on a fixed pattern i.e. in one class faculty will cover concept of the topic for board exam preparations & next day expert faculty will cover multiple choice questions(MCQ) for competition preparations.
- Regular Tests will be conducted.
- Exposure to exact pattern of Board, JEE(Main & Advance) & NEET.
- Result will be conveyed on regular basis to parents.
- Students will be finally prepared for JEE(Main & Advance) & NEET through specially designed test series in two phases.
- Students will be provided with chapter wise study material as per NCERT for concept building.
- Our study material also includes assignments and concept based worksheets.
- Our study material also covers objective & subjective components of competitive examinations.
- Students will be provided with chapter wise MCQ booklets of Physics, Chemistry, Mathematics & Biology.
- Syllabus will be completed by end of December.
- Fortnightly doubt clearing sessions will be conducted by experts for students doubts.
